

The hotel room

You enter a luxurious room.
It is not too big,
it will be easy to search.

K

FAILED.

Press
the Penalty
button once.

32

C

A phone socket.

79

NO, YOU CAN'T
JUST SWITCH THEM
ALL OFF.

Press
the Penalty
button once.

50

The suspect's wallet.
There is nothing
noteworthy inside it.

Las Vegas, Nevada.

You are taken to a man
in a beige suit in the hallway
of a hotel casino.

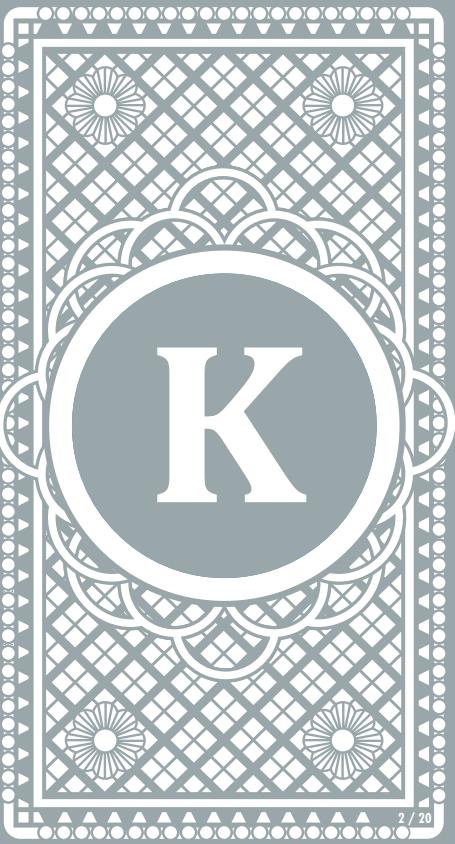

He speaks to you:

«It seems that you are the best
of the best investigative services.
Today is your lucky day, you are going
to have the opportunity to prove it.
Behind me is the hideout of a man
suspected of illicit activities: illegal
game organization, rigged betting and
massive cheating. Infiltrate his room,
find the evidence we need to charge
him and get out quickly.»

Launch the app, select the scenario
ELITE then press **START**.

You now have 60 minutes to get
out of your first **UNLOCK** adventure.

Now turn over this card.

4

50

A birthday photo.
Probably the suspect's son.

42

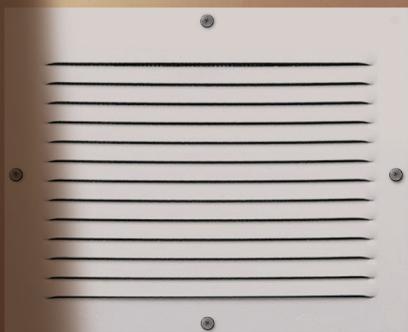

A key.

15

The room's desk.
The suspect has put
his computer on it.

63

An air vent.

80

A deck of cards is
scattered on the floor.

22

In the drawer, you find a
small Phillips screwdriver.

12 / 20

11 / 20

10 / 20

35

A telephone.

21

A locker closed by a padlock.

60

It is open. All that remains is to cut the right wires.

85

22 63

There's a bomb in there!

A lock, five switches on OFF. It will explode in less than 30 minutes!

Enter the code 6666

C

21 80

The locker is open.

67

32 35

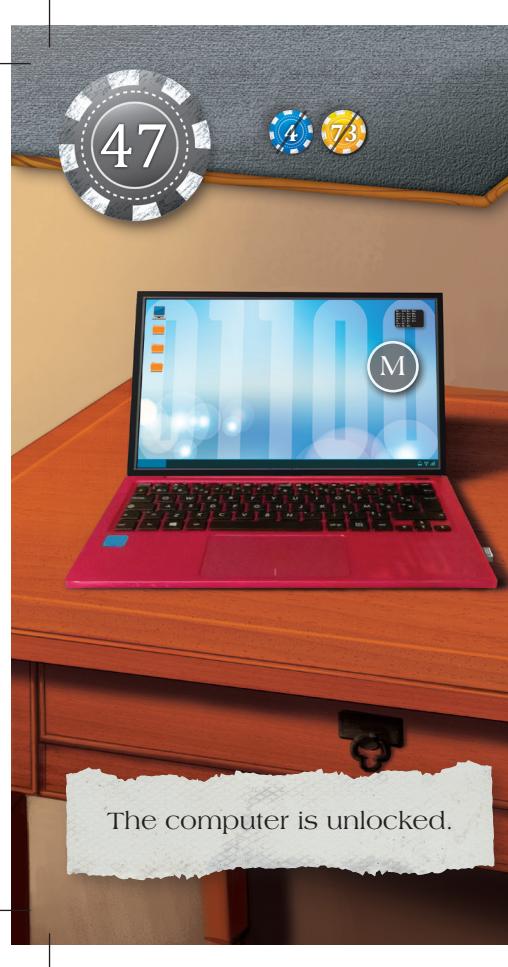

You connect the telephone and pick it up.

You hear interference noise on the line.

**Enter the code
9999**

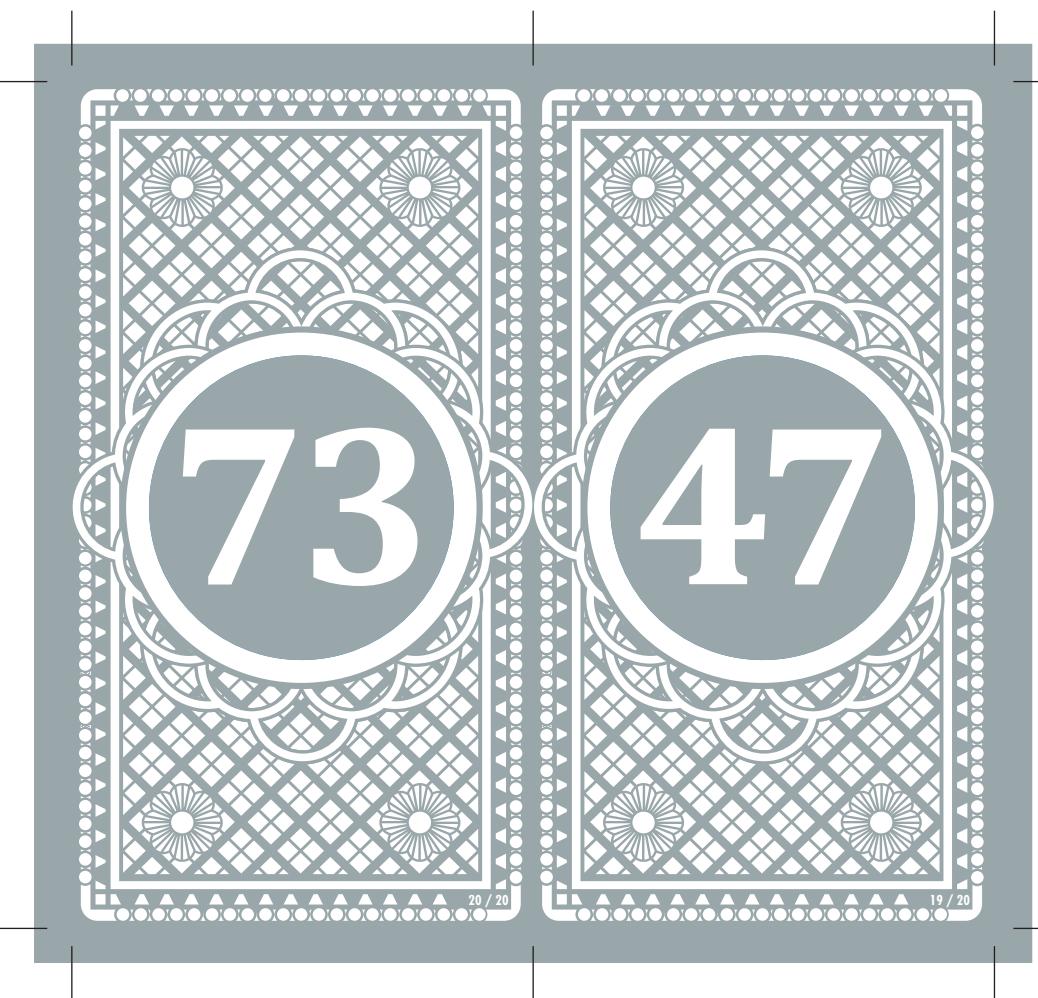

You can hear the noises several times by entering the code again.

The computer is unlocked.

The computer is on
but it is locked.
